

TAPESTRY SINGERS

2024 Scholarship

AUSTIN WOMEN'S CHORUS PRESENTS: \$1,500 to a Treble-Singing High School Senior

Who can apply?

Tapestry Singers members believe that music and song is a gift, regardless of one's abilities or talent. For that reason, the applicants are NOT REQUIRED to be in pursuit of a music-based education or career; however, they are required to be actively pursuing some kind of higher education/training post-graduation and should want to continue making music and singing a part of their life. Applicants should have a passion for song & singing and exemplify the principles & joyful spirit upheld by Tapestry Singers. The applicant does NOT have to be a "she" to apply. As we are a treble-singing chorus, we encourage all individuals within that voice range to apply!

What are the application requirements?

The application includes:

- a 500 word essay (prompt provided in the online application)
- a teacher/director recommendation that can speak to the applicant's musical interests and joy in singing
